**a. 17 oz. Therma-Pop Bottle**

Stainless steel double wall construction with vacuum insulation technology and a threaded steel lid. Modern technology allows us to create beverage holders with almost unbelievable thermal retention capabilities. The Therma-Pop will keep drinks cold up to 10 hours and coffee or cocoa hot up to 5 hours. The contemporary design was inspired by the classic soda pop bottle and the special exterior powder-coat matte finish provides a firm grip with no sweating.
